The Cleveland Tank Plant—now the I-X Center—in conjunction with the International Convention of the Military Vehicle Preservation Association (MVPA), is proud to present the Homecoming Military Show and Swap Meet. From June 21 through 24, 2017, the historic former tank plant—now a spacious, air-conditioned event facility—will be bursting with historic military vehicles, aircraft and militaria of all nations and eras. Special emphasis is being placed on Cleveland-built vehicles. Enthusiasts, veterans, reenactors, historians, modelers and wargamers from all over the globe, as well as former Tank Plant employees, will converge on the historic factory, eager to add to their collections of memorabilia, gear, tools and equipment. Don't miss this opportunity to connect with this global community of enthusiasts! Register today!
